

Z0-001-40189X

Main technical parameters

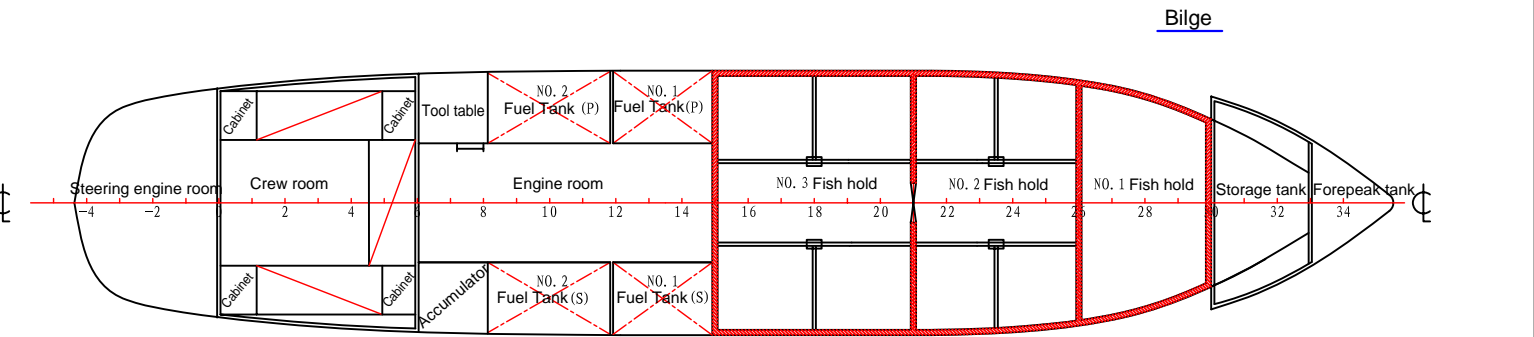

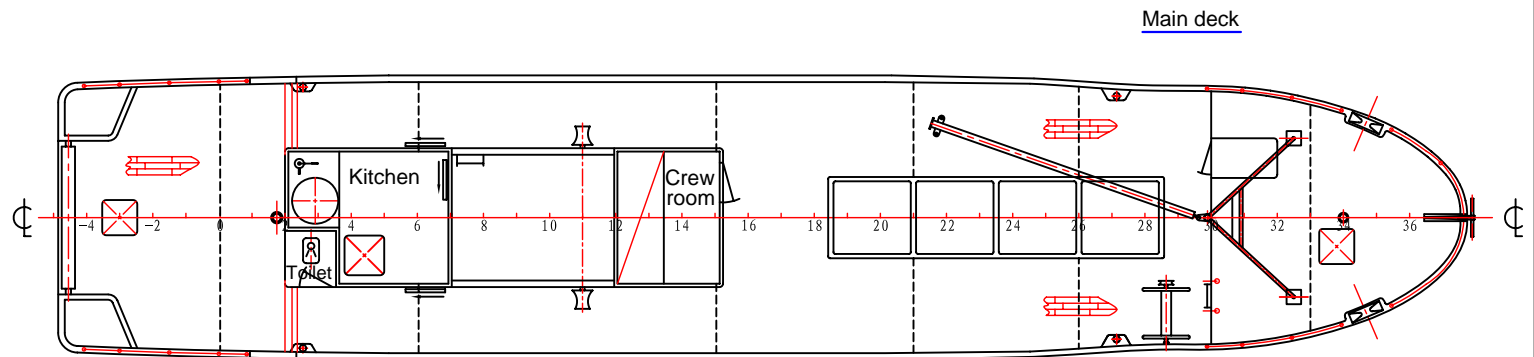

|       |                   |           |
|-------|-------------------|-----------|
| 总长    | Loa               | 21.30m    |
| 设计水线长 | Lwl               | 19.07m    |
| 垂线间长  | Lpp               | 17.60m    |
| 船宽    | Bmax              | 4.30m     |
| 型宽    | B                 | 4.00m     |
| 型深    | Depth             | 1.80m     |
| 吃水    | Draft             | 1.23m     |
| 排水量   | Displacement      | 55.90t    |
| 设计航速  | V Speed           | 9kn       |
| 船员人数  | Crew              | 6 persons |
| 主机功率  | Main engine power | 52.9kW    |
| 自持力   | Endurance         | 15 days   |

|                               |  |               |    |
|-------------------------------|--|---------------|----|
| 21.30m FRP Trawl fishing boat |  | XG8104-100-02 |    |
| General layout                |  | 图样标记          | 数量 |
|                               |  | Scale         |    |
|                               |  | 1:60          |    |
|                               |  | 共 2 页 第 1 页   |    |
| 材料                            |  |               |    |

图纸面积: 0.12m²
